

LOST2FIND APP PROTOTYPES

BSEF20A049

LAIBA LIAQUAT

Submitted to:

Sir Nadeem

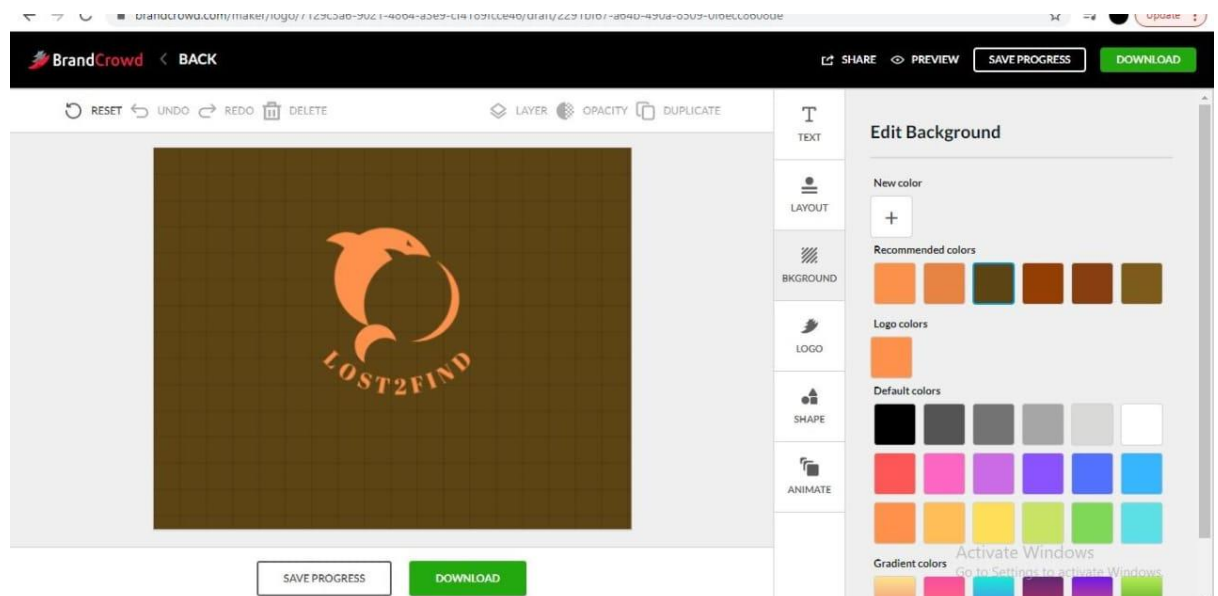

Prototypes:

Prototypes made on Figma website which includes **Login, Signup, Home page, Home page Detail, profile page and contact us page** (www.figma.com)

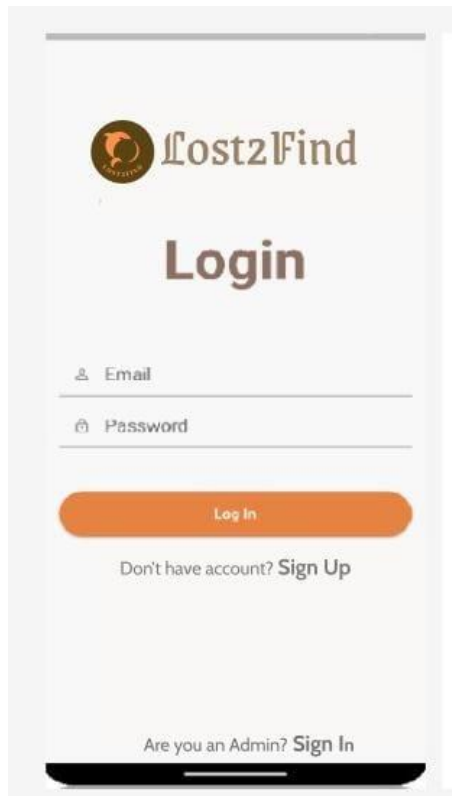

Logo made on website: (www.brandcrown.com)

Evidence:

Login:

The image shows a mobile app login screen for 'Lost2Find'. At the top is the app's logo, which consists of a circular icon with a globe and the text 'Lost2Find' next to it. Below the logo is the word 'Login' in a large, bold, sans-serif font. Underneath 'Login' are two input fields: the first is labeled 'Email' with an envelope icon, and the second is labeled 'Password' with a key icon. Below these fields is a large, orange, rounded rectangular button with the text 'Log In' in white. Under the button, there is a link that says 'Don't have account? Sign Up'. At the bottom of the screen, there is another link that says 'Are you an Admin? Sign In'. The entire form is set against a light gray background with a subtle shadow, suggesting it's a mobile device screen.

Signup:

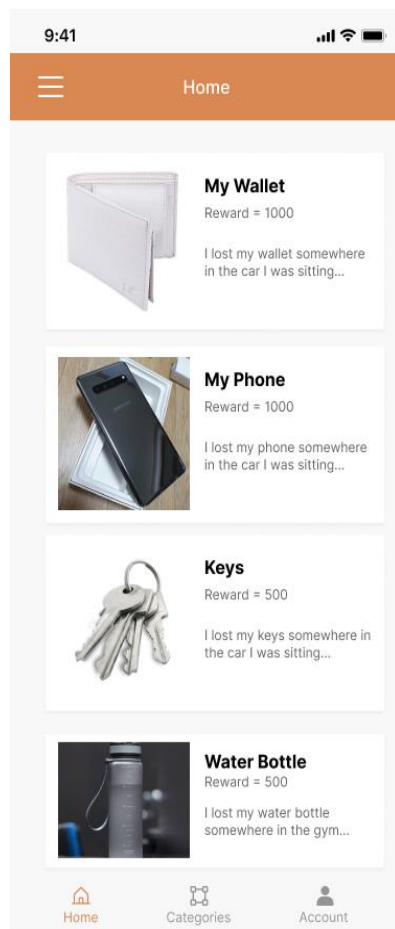

The image shows a mobile app sign-up screen for 'Lost2Find'. At the top is the app's logo, a circular orange icon with a white arrow, followed by the text 'Lost2Find' in a bold, dark brown font. Below the logo is the title 'Sign Up' in a large, bold, dark brown font. The form consists of five input fields: 'Username', 'Email', 'Mobile number', 'Password', and 'Re-enter Password'. Each field has a thin grey border and a small grey arrow on the right side. Below the input fields is a large, rounded orange button with the text 'Sign Up' in white. At the bottom of the form, there is a link that says 'Have an account? Sign In' in a dark brown font. The entire form is set against a light grey background.
